**PROXY STATEMENT**

---

**INTRODUCTION**

This proxy statement and the accompanying proxy are made available by Micronet Enertec Technologies, Inc. (the "Company"), to the holders of record of the Company's outstanding shares of Common Stock, \$0.001 par value per share, (the "Common Stock"), commencing on or about September 26, 2016. The accompanying proxy is being solicited by the Board of Directors of the Company (the "Board"), for use at the annual meeting of stockholders of the Company (the "Meeting"), to be held on the 18<sup>th</sup> day of October 2016 at 5:00 p.m. local time, at our offices, 27 Hametzuda St., Azur, Israel 58001 and at any adjournment or postponement thereof. The cost of solicitation of proxies will be borne by the Company. The Company may engage a broker or similar person to assist in the solicitation of proxies and provide related advice and informational support for a service fee, plus customary disbursements. Directors, officers and employees of the Company may also assist in the solicitation of proxies by mail, telephone, telefax, in person or otherwise, without additional compensation. Brokers, custodians and fiduciaries will be requested to forward proxy soliciting materials to the owners of stock held in their names and the Company will reimburse them for their reasonable out-of-pocket expenses incurred in connection with the distribution of such proxy materials.

The Board has fixed September 14, 2016 as the record date for the Meeting (the "Record Date"). Only stockholders of record on the Record Date are entitled to notice of and to vote at the Meeting or any adjournment or postponement thereof. On September 14, 2016, there were issued and outstanding 5,878,721 shares of Common Stock. Each share of Common Stock is entitled to one vote per share.

The Company's Bylaws, as amended, provide that a quorum shall consist of the holders of at least a majority of the stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy at the Meeting. If such quorum shall not be present or represented, the stockholders entitled to vote thereat, present in person or represented by proxy, shall have the power to adjourn the Meeting, without notice other than announcement at the Meeting, until a quorum shall be present or represented. Abstentions may be specified on all proposals other than with respect to the election of directors. Abstentions will be counted as present for purposes of determining a quorum and will be counted as not voting on the proposal in question. Submitted proxies which are left blank will also be counted as present for purposes of determining a quorum, but are not counted for purposes of determining whether a proposal has been approved in matters where the proxy does not confer the authority to vote on such proposal, and thus have no effect on its outcome.

The Company's Bylaws, as amended, provide that directors are to be elected by a plurality of the votes of the shares present in person or represented by proxy at the Meeting and entitled to vote on the election of directors. This means that the four candidates receiving the highest number of affirmative votes at the Meeting will be elected as directors. Only shares that are voted in favor of a particular nominee will be counted toward that nominee's achievement of a plurality. Shares present at the Meeting that are not voted for a particular nominee or shares present by proxy where the stockholder properly withheld authority to vote for such nominee will not be counted toward that nominee's achievement of a plurality.

In all matters, other than the election of directors, the affirmative vote of the holders of a majority of the stock having voting power present in person or represented by proxy shall be sufficient for the approval of the proposals in this proxy statement and any other business which may properly be brought before the Meeting or any adjournment or postponement thereof.

All shares of Common Stock represented in person or by valid proxies received by the Company prior to the date of, or at, the Meeting, and not revoked, will be voted as specified in the proxies or voting instructions. Votes that are left blank will be voted as recommended by the Board. With regard to other matters that may properly come before the Meeting, votes will be cast at the discretion of the proxies.

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed “non-routine.” Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. In the event that a broker, bank, or other agent indicates on a proxy that it does not have discretionary authority to vote certain shares on a non-routine proposal, then those shares will be treated as broker non-votes. We believe that all proposals in this proxy statement are non-routine proposals, except Proposal No. 3 with respect to the ratification of the selection of the independent registered public accounting firm, which is a routine matter; therefore, your broker, bank or other agent will not be entitled to vote on any of these proposals at the Meeting without your instructions. Broker non-votes will be counted towards the quorum requirement. Other than for the purpose of establishing a quorum, as discussed above, broker non-votes will not be counted as entitled to be voted and will therefore not affect the outcome of the matters to be voted thereon.

Any stockholder who has submitted a proxy may revoke it at any time before it is voted, by written notice addressed to and received by our Secretary, by submitting a duly executed proxy bearing a later date or by electing to vote in person at the Meeting. The mere presence at the Meeting of the person appointing a proxy does not, however, revoke the appointment.

**IMPORTANT:** If your shares are held in the name of a brokerage firm, bank, nominee or other institution, you should provide instructions to your broker, bank, nominee or other institution on how to vote your shares. Please contact the person responsible for your account and give instructions for a proxy to be completed for your shares.

Our website address is included several times in this proxy statement as a textual reference only and the information in our website is not incorporated by reference into this proxy statement.

## **PROPOSAL NO. 1 — ELECTION OF DIRECTORS**

At the Meeting, four directors are to be elected, which number shall constitute our entire Board, to hold office until the next annual meeting of stockholders and until their successors shall have been duly elected and qualified. Pursuant to our Bylaws, as amended, directors are to be elected by a plurality of the votes of the shares present in person or represented by proxy at the Meeting and entitled to vote on the election of directors. This means that the four candidates receiving the highest number of affirmative votes at the Meeting will be elected as directors. Only shares that are voted in favor of a particular nominee will be counted toward that nominee’s achievement of a plurality. Proxies cannot be voted for a greater number of persons than the number of nominees named or for persons other than the named nominees.

Unless otherwise specified in the proxy, it is the intention of the persons named in the enclosed form of proxy to vote the stock represented thereby for the election as directors, each of the nominees whose names and biographies appear below. All of the nominees whose names and biographies appear below are presently our directors. In the event any of the nominees should become unavailable or unable to serve as a director, it is intended that votes will be cast for a substitute nominee designated by the Board. The Board has no reason to believe that the nominees named will be unable to serve if elected. Each nominee has consented to being named in this proxy statement and to serve if elected.

### **Principal Employment and Experience of Director Nominees**

The following information is furnished with respect to the persons nominated for election as directors. All of these nominees are current members of our Board:

We believe that Professor Ofir's extensive experience in consulting companies on strategic processes, international business development, business and marketing strategy, establishing control systems, products and new product strategies and pricing strategy, makes him suitable to serve as a director of the Company

Jeffrey P. Bialos\*

61

Mr. Bialos has served on our Board since April 2013. Mr. Bialos has over 30 years of experience in a broad range of domestic and international legal, governmental and public policy positions. He served as Deputy Under Secretary of Defense for Industrial Affairs from January 1999 through December 2001 and in senior positions at the State and Commerce Department during the Clinton Administration and served on Defense Science Board task forces from June 1996 through June 1997. He also was appointed to the Secure Virginia Panel, Virginia's homeland security board, by two Virginia Governors. Mr. Bialos also spent considerable time in private legal practice in Washington, D.C. with two large national law firms (currently, Sutherland, Asbill & Brennan LLP where he has been a partner since 2002 and, previously, Weil, Gotshal & Manges from January 1990 through June 1996). He has represented a wide range of domestic and foreign firms (including large multinational corporations and leading defense and aerospace firms), foreign governments, development institutions such as the European Bank for Reconstruction and Development and the International Finance Corporation, private equity funds, public-private partnerships and other entities, in a diverse range of corporate and commercial, adjudicatory, regulatory, policy and interdisciplinary matters. Mr. Bialos holds a J.D. from the University of Chicago Law School, a M.P.P. from the Kennedy School of Government at Harvard University and an A.B. from Cornell University. He is a member of the New York Council on Foreign Relations.

We believe that Mr. Bialos' broad and intimate familiarity with the aerospace, defense, information technology, space and homeland security industries and the depth and breadth of his professional experience as a practicing lawyer and former government official, make him suitable to serve as a director of the Company

Miki Balin\*

46

Mr. Balin has served on our Board since April 2013. Mr. Balin has been the Chief Executive Officer and founder of Targetingedge Ltd., a subsidiary of TLVmedia Ltd since 2013. Prior to Targetingedge he founded WinBuyer in 2006 and Conversion Methods in 2004, which developed products for e-retailers. Prior to establishing Conversion Methods and WinBuyer, he founded Balin, Adatto & Cohen, a leading healthcare consulting and advertising firm in Israel. He also managed a family-owned food distribution company, and served as general manager of the Rina Shinfeld Ballet Theatre, where he still serves as a director. In 2011, WinBuyer was awarded the "Best Product at eCommerce Expo" for its product Winbuyer 2.0.

We believe that Mr. Balins' experience as a business and marketing executive make him suitable to serve as a director of the Company.

\* The Board has determined that this director or nominee is "independent" as defined by the rules of the Securities and Exchange Commission, or SEC, and NASDAQ Stock Market, or NASDAQ rules and regulations. None of the independent directors has any relationship with us besides serving on our Board.

## Required Vote

Our Certificate of Incorporation, as amended, does not authorize cumulative voting. Our Bylaws, as amended, provide that directors are to be elected by a plurality of the votes of the shares present in person or represented by proxy at the Meeting and entitled to vote on the election of directors. This means that the four candidates receiving the highest number of affirmative votes at the Meeting will be elected as directors. Only shares that are voted in favor of a particular nominee will be counted toward that nominee's achievement of a plurality. Shares present at the Meeting that are not voted for a particular nominee or shares present by proxy where the stockholder properly withheld authority to vote for such nominee will not be counted toward that nominee's achievement of a plurality. Broker non-votes will not impact the outcome of the vote on this proposal but will be counted for purposes of determining whether there is a quorum.

**The Board recommends a vote FOR the election of each of the director nominees named above.**

## **PROPOSAL NO. 2 – RATIFICATION OF THE SELECTION OF ZIV HAFT, A BDO MEMBER FIRM, AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR THE FISCAL YEAR ENDING DECEMBER 31, 2016.**

Our audit committee of our Board, or the Audit Committee, has selected Ziv Haft, a BDO Member Firm, as our independent registered public accounting firm, or the Independent Auditors, for the current fiscal year, subject to ratification by our stockholders at the Meeting. We do not expect to have a representative of the Independent Auditors attending the Meeting.

Neither our by-laws, our other governing documents, nor other law requires stockholder ratification of the selection of the Independent Auditors as our independent registered public accounting firm. However, the Audit Committee is submitting the selection of the Independent Auditors to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain the Independent Auditors. Even if the selection is ratified, the Audit Committee in its discretion may decide to appoint a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

## Required Vote

The affirmative vote of the holders of a majority of the votes present in person or represented by proxy is required for the ratification of the selection of the independent registered public accounting firm. Broker non-votes will not impact the outcome of the vote on this proposal but will be counted for purposes of determining whether there is a quorum.

**The Board recommends a vote “FOR” the ratification of the selection of Ziv Haft, a BDO Member Firm, as independent registered public accounting firm of the Company for the fiscal year ending December 31, 2016.**

## CORPORATE GOVERNANCE

### Committees and Meetings of Our Board of Directors

The Board held four meetings during Fiscal 2015. Throughout this period, each member of our Board who was a director in Fiscal 2014 attended or participated in at least 75% of the aggregate of the total number of meetings of our Board held during the period for which such person has served as a director, and the total number of meetings held by all committees of our Board on which each the director served during the periods such director

served. Our Board has three standing committees: the Compensation Committee, the Audit Committee and the Corporate Governance/ Nominating Committee.

Compensation Committee. The members of our Compensation Committee are Professor Chezy (Yehzkel) Ofir, Jacob Berman and Miki Balin. Mr. Jacob Berman is the Chairman of the Compensation Committee and our Board has determined that all of the members of the Compensation Committee are "independent" as defined by the rules of the SEC and NASDAQ rules and regulations. The Compensation Committee operates under a written charter that is posted on our website at <http://micronet-nerotec.com/images/IR%20images/Corporate%20Governance/MICT%20-%20Compensation%20Committee%20Charter%20Sept%2017%202014.pdf>.

Following the Meeting, we plan to reconstitute our Compensation Committee to consist of Professor Chezy (Yehzkel) Ofir, Jeffrey P. Bialos and Miki Balin with Professor Chezy (Yehezkel) serving as Chairman of the Compensation Committee.

The primary responsibilities of our Compensation Committee include:

- Reviewing and recommending to our Board of the annual base compensation, the annual incentive bonus, equity compensation, employment agreements and any other benefits of our executive officers;
- Administering our equity based plans and exercising all rights authority and functions of the Board under all of the Company's equity compensation plans, including without limitation, the authority to interpret the terms thereof, to grant options thereunder and to make stock awards thereunder; and
- Annually reviewing and making recommendations to our Board with respect to the compensation policy for such other officers as directed by our Board.

The Compensation Committee meets, as often as it deems necessary, without the presence of any executive officer whose compensation it is then approving. The majority of the members of the Compensation Committee constitutes a quorum and is empowered to act on behalf of the Compensation Committee. The Compensation Committee may delegate any authority granted to it with respect to officer compensation to the Chair or any other member of the Compensation Committee in its sole discretion. Neither the Compensation Committee nor the Company engaged or received advice from any compensation consultant during 2015.

Our Compensation Committee did not hold any meetings during 2015.

Audit Committee. The members of our Audit Committee are Professor Chezy Ofir, Jacob Berman and Miki Balin. Jacob Berman is the Chairman of the Audit Committee, and our Board has determined that Jacob Berman is an "Audit Committee financial expert" and that all members of the Audit Committee are "independent" as defined by the rules of the SEC and the NASDAQ rules and regulations. The Audit Committee operates under a written charter that is posted on our website at <http://micronet-nerotec.com/images/IR%20images/Corporate%20Governance/Audit%20Committee%20Charter.pdf>

Following the Meeting, we plan to reconstitute our Audit Committee to consist of Professor Chezy Ofir, Miki Balin and Jeffrey P. Bialos. with Professor Chezy (Yehezkel) Ofir serving as the Chairman of the Audit Committee and our "Audit Committee financial expert."

The primary responsibilities of our Audit Committee include:

- Appointing, compensating and retaining our registered independent public accounting firm;
- Overseeing the work performed by any outside accounting firm;

- Assisting the Board in fulfilling its responsibilities by reviewing: (i) the financial reports provided by us to the SEC, our stockholders or to the general public, and (ii) our internal financial and accounting controls; and
- Recommending, establishing and monitoring procedures designed to improve the quality and reliability of the disclosure of our financial condition and results of operations.

Our Audit Committee held four meetings during 2015.

Corporate Governance/Nominating Committee. The members of our Corporate Governance/Nominating Committee are Mr. Jeffrey P. Bialos and Mr. Jacob Berman. Mr. Jacob Berman is the Chairman of the Corporate Governance/Nominating Committee and our Board has determined that all of the members of the Corporate Governance/Nominating Committee are "independent" as defined by the rules of the SEC and NASDAQ rules and regulations. The Corporate Governance/Nominating Committee operates under a written charter that is posted on our website at <http://micronet-enertec.com/images/IR%20images/Corporate%20Governance/Nominating%20and%20Corporate%20Governance%20Committee%20Charter.pdf>.

Following the Meeting, we plan to reconstitute our Corporate Governance/Nominating Committee to consist of Mr. Jeffrey P. Bialos, Professor Chezy (Yehezkel Ofir) and Miki Balin. with Mr. Chezy (Yehezkel Ofir) serving as the Chairman of the Corporate Governance/Nominating Committee.

The primary responsibilities of our Corporate Governance/Nominating Committee include:

- Assisting the Board in, among other things, effecting Board organization, membership and function including identifying qualified Board nominees; effecting the organization, membership and function of Board committees including composition and recommendation of qualified candidates; establishment of and subsequent periodic evaluation of successor planning for the chief executive officer and other executive officers; development and evaluation of criteria for Board membership such as overall qualifications, term limits, age limits and independence; and oversight of compliance with applicable corporate governance guidelines; and
- Identifying and evaluating the qualifications of all candidates for nomination for election as directors.

Potential nominees will be identified by the Board based on the criteria, skills and qualifications that will be recognized by the Corporate Governance/Nominating Committee. In considering whether to recommend any particular candidate for inclusion in the Board's slate of recommended director nominees, our Corporate Governance/Nominating Committee will apply criteria including the candidate's integrity, business acumen, knowledge of our business and industry, age, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. No particular criteria will be a prerequisite or will be assigned a specific weight, nor do we have a diversity policy. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will result in a well-rounded board of directors and allow the Board to fulfill its responsibilities.

The Company has never received communications from stockholders recommending individuals to any of our independent directors. Therefore, we do not yet have a policy with regard to the consideration of any director candidates recommended by stockholders. In 2015, we did not pay a fee to any third party to identify or evaluate, or assist in identifying or evaluating, potential nominees for our Board. We have not received any recommendations from stockholders for Board nominees. All of the nominees for election at the Meeting are current members of our Board.

Board Leadership Structure. Our leadership structure includes the combined positions of Chairman of the Board, President and Chief Executive Officer. The Company believes this structure is appropriate for a company of our size and complexity because the Chairman, President and Chief Executive Officer (a) is most familiar with the

Company's business and industry, (b) possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing the Company, and is thus best positioned to develop agendas to ensure the Board's time and attention are focused on matters which are critical to the Company, and (c) conveys a clear, cohesive message to our stockholders, employees and industry partners.

Mr. David Lucatz serves as our Chairman of the Board, President and Chief Executive Officer. In his position as Chairman of the Board, Mr. Lucatz is responsible for setting the agenda and priorities of the Board. As Chief Executive Officer, Mr. Lucatz leads our day-to-day business operations and is accountable directly to the full Board. As Chief Executive Officer, Mr. Lucatz has day-to-day responsibility together with Mrs. Moran Amran, our controller, for our management operations and for general oversight of our business and the various management teams that are responsible for our day-to-day operations. We believe that this structure provides an efficient and effective leadership model for the Company.

Because the Chairman of the Board is also the President and Chief Executive Officer, the Board has designated an independent director to serve as the lead independent director to enhance the Board's ability to fulfill its responsibilities independently. The Board appointed Jacob Berman as lead independent director. The lead independent director serves as the liaison between the Chairman and the independent directors.

We believe that the combined role of Chairman and Chief Executive Officer, together with an empowered lead independent director, is the optimal Board structure to provide independent oversight and hold management accountable while ensuring that our Company's strategic plans are pursued to optimize long-term shareholder value.

Risk Oversight. The Board, including the Audit Committee and Compensation Committee, periodically reviews and assesses the significant risks to the Company. Our management is responsible for the Company's risk management process and the day-to-day supervision and mitigation of risks. These risks include strategic, operational, competitive, financial, legal and regulatory risks. Our Board leadership structure, together with the frequent interaction between our directors and management, assists in this effort. Communication between our Board and management regarding long-term strategic planning and short-term operational practices include matters of material risk inherent in our business.

The Board plays an active role, as a whole and at the committee level in overseeing management of the Company's risks. Each of our Board committees is focused on specific risks within their areas of responsibility, but the Board believes that the overall enterprise risk management process is more properly overseen by all of the members of the Board. The Audit Committee is responsible for overseeing the management of financial and accounting risks. The Compensation Committee is responsible for overseeing the management of risks relating to executive compensation plans and arrangements. While each committee is responsible for the evaluation and management of such risks, the entire Board is regularly informed through committee reports. The Board incorporates the insight provided by these reports into its overall risk management analysis.

The Board administers its risk oversight responsibilities through the Chief Executive Officer and the Chief Financial Officer, who, together with management representatives of the relevant functional areas review and assess the operations of the Company as well as operating management's identification, assessment and mitigation of the material risks affecting our operations.

Code of Ethics. We have adopted a Code of Business Conduct and Ethics that applies to our directors, executive and financial officers and all of our employees. The Code of Business Conduct and Ethics is publicly available on our website at <http://micronet-enertec.com/images/pdf/Code%20of%20Business%20Conduct%20and%20Ethics.pdf> and we will provide, at no charge, persons with a written copy upon written request made to us.

## **COMMUNICATING WITH OUR BOARD OF DIRECTORS**

Our Board will give appropriate attention to written communications that are submitted by stockholders, and will respond if and as appropriate. Professor Chezy (Yehezkel ) Ofir, one of our independent directors and the

Chairman of our Audit Committee, with the assistance of our outside counsel, is primarily responsible for monitoring communications from our stockholders and for providing copies or summaries to the other directors as he considers appropriate. Communications are forwarded to all directors if they relate to substantive matters and include suggestions or comments that Professor Ofir considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to our Board should address such communications to: Micronet Enertec Technologies, Inc., c/o Moran Amran, Controller at the address on the first page of this proxy statement.
